We hope you enjoy your time with us – if you have any concerns during your programme or if you need more information about anything here, please do not hesitate to discuss them with your Class Trainer or management who will be more than happy to help.

Enrolment information

Change of Address or Phone Numbers

Please let us know if you change your address, phone numbers or email address during or up to six months after the programme has finished. We may like to contact you for any employment opportunities or so any additional certificates etc. can be sent to the correct address.

It is a requirement that international students must advise the Campus Manager (Pastoral Care Manager) of any change of contact details, accommodation type, residential address, and immigration status.

Alcohol

Some programmes may include the preparation and service of alcoholic beverages. If you do not wish to sample alcoholic beverages for any reason, please advise your trainer. If you are under the age of 18 years of age you will be prohibited from consuming alcohol, except where a parent or guardian has provided written consent.

Resources

Your campus will be able to advise you what resources they have on-site and what resources are available on-line. You can also join the public library for free. You will just need proof of your residential address such as a letter or bill. If you want to download resources from the internet check one of your classmates has not already done this, as you may then be able to put it in the class shared drive. This way your own space is not used, and everyone can access it.

In some programmes additional textbooks are required for students to purchase. Students need to demonstrate academic integrity, honesty, and respect for the work of others by referencing correctly, staying within the limits of copyright licences, and in not engaging in assessment misconduct, cheating or plagiarism.

Stationery/Calculators

All stationery requirements are your own responsibility aside from workbooks which are provided. You will need your own calculator for the programme. The calculator need only be a basic one available from stores such as The Warehouse.

Student kits

There are different student kits depending on the programme you are enrolled in. Student kit inclusions will begin being issued after you have attended 10% of the programme. These will be issued in stages, as you complete different sections of your course.

Programme Content

You will receive information about your programme at enrolment. This will include:

- The qualification your programme leads to
- The courses (components) you will be covering
- The credits and level of the programme
- The length of the programme
- Your pathway options after graduating

Course/Component: sometime referred to as subjects, papers, modules, topics, units and standards. All of these components together make up your programme and lead to a recognised qualification.

Learning outcomes: each course has specific learning outcomes that describe in detail what you need to know or be able to do and which you will be assessed against. In order to be credited for a course you must achieve all of the course's learning outcomes.

Credits: each course is assigned a credit value. One credit is equivalent to 10 hours of learning. This time includes direct contact hours during class delivery as well as study outside of class times and time spent working on assessments.

The company reserves the right to change or remove any part of the programme content should they need to do so. Strike action, political unrest or change in airline policy may mean study tours, visits, guest speakers etc. cannot go ahead as planned. It is not the company's intention to change the programme however agreements between suppliers and us can change at any time. The daily and weekly programme can be subject to change without notice.

Certain criteria must be reached before students can go on study tours, internships or work experience, and complete higher-level qualifications. Failure to reach these criteria will result in students being unable to participate with no refund owing. In circumstances where face-to-face delivery is unable to occur, students may be given written or online resources to complete from home. Examples of circumstances that may affect face-to-face delivery include snowstorms, earthquakes, excessive flooding, power cuts, staff illness etc. Please refer to our website for current programme content or available upon request.

Self-directed learning hours

As a part of each programme, students are required to complete a set amount of self-directed learning hours in addition to what they do with trainers, face-to-face in class. It forms part of the approved programme and therefore supports your learning and ability to successfully complete your qualification. Please check this thoroughly and advise your Class Trainer of any problems.

You will be earning credits progressively during your programme. Where the programme contains NZQA assessment standards, these are reported to NZQA on a regular basis.

At the end of your programme of study

Preliminary results for all Yoobee Colleges programmes are usually available within 15 working days of the end of course date of the programme. Final results and outcomes for programmes are confirmed through the Board of Studies. Once your results are confirmed, an Academic Transcript will be provided to you.

NZQA Record of Learning

The NZQA website can take 12-18 months to show your completed qualification under your Record of Learning through an automated process once your programme has finished. If you wish to have this recorded on your Record of Learning, a manual process can be undertaken at a cost of \$10 per qualification. Confirmation of qualification achievement would then show under your Record of Learning within a month of your request being made to your Team Leader.

The New Zealand Association of Registered Beauty Professionals Student Membership

As a student at Elite School of Beauty & Spa you have the opportunity to become a member of The New Zealand Association of Registered Beauty Professionals. The association was formed in 1968 by a group of passionate beauty professionals looking to create a support group in the industry and develop consistent standards for all beauty professionals across New Zealand. Fast forward 50 years, and the Association still has the same goals and desires. Their priorities are to encourage a highly qualified, safe, and supportive industry.

Student membership to the association is \$10.00 per student and it is a great way to keep in touch with what's happening in the industry through regular newsletters and the online Beauty NZ Magazine. Network with inspiring industry leaders, local members and have the opportunity to enter the biennial Beauty NZ Association Awards.

During the first week of your programme, you will learn more about the association and how to apply to become a student member.

Choosing to withdraw From Your Programme of Study

Withdrawal from programmes 13 weeks or more - Domestic Students

If for any reason you feel that you need to withdraw from your programme of study a discussion with your Class Trainer and the Team Leader is recommended.

If you withdraw within 8 calendar days for domestic on campus students after and including the scheduled start date of your programme, all tuition fees will be refunded minus a deduction of 10% of the fees paid or \$500 (whichever is the lesser amount). If you withdraw within 10 working days for domestic online students after and including the scheduled start date of your programme, all tuition fees will be refunded minus a deduction of up to 25% of the fees paid.

If you withdraw from your programme before the completion date, on day 9 or later for domestic on campus students, or from 5pm of the 10th working day and before completion date for domestic online students, you would only be eligible for a refund of tuition fees in extenuating circumstances, at the Head of Operations' discretion.

You would need to provide documentation to support any such application which must be made within one month of the last day of attendance.

On day 9 or later, for domestic on campus students and from 5pm of the 10th working day for domestic online students, there can be no refund where: you wish to transfer to another provider; you have been expelled; inaccurate or false information was included in your enrolment application. If the student withdraws from one programme and transfers to another programme at either the same or an alternative campus an Administration Fee of up to \$250.00 may be charged. Students can request a final academic record of learning if they wish.

Written confirmation of withdrawal

If you have chosen to withdraw and before processing a refund of fees, you will be required to provide your intention to withdraw in writing. The following information must be included:

- Your full name
- The programme name and level that you wish to withdraw from
- Campus name
- The date that you wish to withdraw from the programme
- The reason for your withdrawal

If you are under 18 years old, we will contact your parent or guardian. If you obtained a bank loan for the purpose of studying with Yoobee Colleges, we may require confirmation that the lender consents to your withdrawal.

If you have enlisted the assistance of a Support Person, to write your confirmation of withdrawal, please ensure the final copy is sent from your email address or is printed and signed by you. Please refer to the Student Complaints section, for information regarding Support Person.

Withdrawal - International Students

Once confirmed on your programme if you wish to withdraw you must put this in writing and either post it in or hand it in to the office. Please note being withdrawn from a programme would impact your academic record and may impact future enrolment and the ability to continue future study in New Zealand. Students can request a final academic record of learning if they wish.

Please refer to your enrolment confirmation for specific refund information. Please note in all cases, Immigration New Zealand will be notified if study is terminated.

A notice of withdrawal due to exceptional circumstances may, at the sole discretion of the Campus Manager, be accepted as grounds for a refund of tuition fees. The Campus Manager may require documentary evidence in support of the application for the refund, and a refund may not be made if the written notice of withdrawal is unreasonably delayed. Exceptional circumstances may include:

A death of a student or close family member (parent, sibling, spouse, or child); political, civil, or natural event that prevents arrival of the student.

Attendance

Our attendance policy is all about ensuring you have completed the required amount of face-to-face learning so that you can gain your qualification authentically. It's also about getting you "WORK READY" for employment. We expect students to have strong attendance. If you use your Campus Manager as a referee your attendance will be disclosed to your potential employer.

If you are unable to attend class or if you are going to be late, you are required to advise the Campus before 9.00am by phone. A text message to a friend is not acceptable. Please note that this is standard business practice and we are trying to get you 'work ready' for employment. Lateness is recorded in 'quarter days' and applied to any student that arrives after the class has started at the beginning of the day as well as after each break (morning tea, lunch and afternoon tea).

Appointments

Appointments should be made outside of **class time**. Arriving late or leaving early will see you marked absent for that quarter day. It is your responsibility to catch up on any missed learning.

Attendance requirements to gain your certificate

If you wish to gain the Certificates issued by New Zealand School of Tourism, Cut Above Academy or Elite School of Beauty, you must have completed the required amount of face-to-face learning and therefore meet the attendance requirement. The maximum number of days you can be absent, depends on the programme you are currently enrolled in (outlined in table below). Absent days are accrued if you are absent for any reason (including medical, funeral, tangi etc.) or if you are late to class in the morning/after any break (each late occurrence counts as ¼ day).

New Zealand School of Tourism

Programme	Absent days allowed:
Level 3 programmes (22 weeks)	5
Level 4 programmes (16 weeks)	4
Level 5 & 6 programmes (32 weeks)	8 (1 day = 1 calendar day)

Professional Face, Body and Spa L5 (40 teaching weeks)	10

Note:

If you are enrolled in more than one programme you will not be able to 'carry forward' or 'borrow' days between programmes.

Please note that medical certificates and any form of explanation note will not gain exemption from being marked absent because you would have missed out on the learning. Remember the purpose of this policy is to ensure you have authentically gained the qualification. A medical certificate however or evidence of attending a funeral/tangi (such as a service sheet) will be placed on file and then can be used when talking with a prospective employer to explain any absences that you have had. This policy is in line with getting you 'work ready, world ready' and that is why we have a set number of days that we would class as 'acceptable'.

Absenteeism/attendance is monitored closely, and students are expected to keep up to date with how many days off they have had in relation to what is 'allowed' (as shown previously).

Remember: the purpose of this policy is to ensure that qualifications are gained authentically regarding the amount of face-to-face facilitation you have received for the programme you are enrolled in, as well as ensuring students are 'work ready, world ready' when they are released to employment in the industry. When students exceed the 'allowed days', we begin to manage the situation through the withdrawal process which is outlined in the next sub-section. In exceptional circumstances, the Campus Manager may make exceptions to the rule and will therefore form a plan of action to ensure students are still able to gain their New Zealand qualification authentically. If you are a student that has been deemed as an 'exceptional circumstance', this may involve being moved to another intake, so that you can catch up on any learning you may have missed. Where a student is either not meeting course requirements through low attendance or not being on track with their credit achievements, student's finances may be suspended.

Class Times

Class times may vary depending on the qualification being completed at the time. Below is the general guide for each qualification type with a morning, afternoon and lunch break applied unless shown below. Students are required to attend class between these hours to ensure the attendance policy is adhered to (see attendance policy). Please note: on occasion, classes may be required to start earlier at 8.30am however students will be given notice of this prior to the day. The class times detailed below do not apply when students are away on study tours – in this instance, it is up to the escorting staff member to decide on appropriate contact hours.

Being withdrawn from programme of study due to attendance issues

If the Campus Management team has concerns about your absenteeism/lack of attendance, the following policies will apply:

Withdrawal policy for consecutive absenteeism (including lateness)

If you have not attended class for a period of one learning week without advising us, we will write and/or email to inform you of the date you need to contact us by before we assume you have withdrawn from the programme. We will then complete the necessary forms and advise Immigration/Studylink (if applicable). This will mean you are no longer enrolled with us. A final academic record of learning will be issued.

- **First instance of being absent without notifying us:**
After one learning week of no contact, you will be given three days to notify us or return to class without being withdrawn (5 days + 3 days' notice = 8 days). If we do not hear from you, you will be withdrawn from your programme of study.
- **Second instance of being absent without notifying us:**
After three days of no contact, you will be given three days to notify us or return to class without being withdrawn (3 days + 3 days' notice = 6 days). If we do not hear from you, you will be withdrawn from your programme of study.
- **Third instance of being absent without notifying us:**
After one day of no contact, you will be withdrawn the following day.

Withdrawal policy for non-consecutive absenteeism (including lateness)

If you have not attended class for a total amount of time that exceeds what would be expected when you are in employment (including different days off, not necessarily in a row), we will meet with you to discuss our concerns and re-iterate the policy outlined below. If you are under the age of 18, your guardian will also be contacted unless exceptional circumstances apply. Remember that this policy is aligned with getting you 'work ready, world ready' and also ensures you are able to authentically gain your qualifications by attending class and being in the learning environment. We will have mechanisms in place to keep you up to date on your attendance and how the policy works, but the responsibility is yours.

NOTE: Lateness is defined as 'turning up to class once the trainer has started the recap/activity/lesson'. Exceptional circumstances are at the discretion of the Campus Manager in liaison with the Head of Operations.

Prior to the withdrawal procedure happening, our expectations would be:

- a. Student Handbook signed, with the understanding of the attendance policy and consequences that may result
- b. Attendance will be discussed at weekly meetings and Qtime (one on one) sessions
- c. SELMA will continue to report absent days, so you have direct access to the information

Stage 1: When you have exceeded the allowed number of days in the qualification you are enrolled in: (See above tables for attendance requirements specific to your qualification).

- A formal meeting with your Class Trainer will take place where you will be advised you are no longer eligible for any study tours/famil trips, or eligible to gain any NZST certificates. If you are under the age of 18, your guardian will also be contacted unless exceptional circumstances apply. Written confirmation of this will be given to you outlining the next stage.

Stage 2: If you exceed 'allowed days' by another 5 days absent:

- A formal meeting will be arranged with the Team Leader and Campus Manager where you will have the opportunity to bring a support person if you wish. You may be withdrawn and advised of this in writing. If you are unable to attend a meeting or we have not been able to make contact, an official letter will be sent to your current address. You will also be given a final academic record of learning outlining your completed modules.

Academic Policies

Credit recognition and transfer (CRT)

At the time of enrolment, you will have been informed whether you will require reassessment in any units. You may already have gained credit for components at school or with another training provider. If these components are also in your Yoobee Colleges programme, then you might not have to be re-assessed on the same components.

NZQA assessment standard components: We will print out your NZQA Record of Learning to confirm what you have completed. Where the components are identical, you may apply for CRT to transfer credit across to your programme of study.

New Zealand School of Tourism components: We will transfer any previously achieved NZST components on your NZST record of learning across to your programme of study where these are identical.

Other components: see Recognition of Prior Learning.

Recognition of Prior Learning (RPL)

If you believe that you are already competent in what is required for a particular component (say in previous study or work) then you may wish to apply for RPL. We will look at your evidence and see if it sufficiently matches components in the programme to be recognised for credit.

Please note there may be an application fee for CRT or RPL applications. Your Course Advisor has details of what is involved in this process and the types of evidence you will need to provide.

This is normally done at enrolment stage however if you believe you have completed prior learning in a particular subject that forms a part of a programme you are enrolled in and would like to be recognised for this, please see your Team Leader. Applications will only be accepted up to 7 days following your programme start date, or 10 days for online programmes unless stated otherwise at the time of enrolment.

Assessments

Assessments for all subjects vary. Some will be by written exam, others by assignments, role-plays, practical application, on live models, observations, or online. Your Trainer will explain the assessment procedures for each individual subject. Regardless of the assessment type, all are equally as important and required towards the successful completion of your qualification.

All work for assessments, both classroom and home study, must be your own work. Copying or using notes, from students or the internet is not acceptable. Management will deal with any cases of cheating/plagiarism seriously.

Paper copy of assessments will be kept on site for approx. 12 months and results will be kept indefinitely plus backed up daily. If you would like a copy you will need to request these from your Class Trainer.

Assessment and Exam Procedures

- These are undertaken at the time and date given by the subject trainer
- They may be open or closed book and take place in a classroom. No talking is allowed. A supervisor or trainer will be in the room at all times
- For open book assessments: you may have with you applicable workbooks, a pen and a calculator (if required). Some open book assessments may be completed in your own time and in some circumstances - in class time
- For closed book assessments: your Trainer will advise what resources are allowed
- The Trainer will hand out blank paper if required. You may not use your own blank paper or pads
- No red pens, pencils or twink / white out are allowed
- No cell phones are permitted
- If a student is more than 10 minutes late for a formal assessment task, he/she will not be admitted into the assessment room
- Most assessments will be marked immediately and re-sits completed on the day or at a time set by your Trainer
- Some assessments may take up to 3 weeks from the assessment due date for marking
- We reserve the right to hold digital copies of any assessment for the purpose of comparison with past and future work by others to detect academic misconduct
- If any student suspects any form of cheating, they are encouraged and expected to report this to a staff member

Assessment Deadlines

When an assessment/project is handed out, the Trainer will also tell you when it is due. If it is not handed in on time, then the following applies:

- Achievement and competency-based assessments are recorded as a submission opportunity that has not been achieved
- Graded or weighted assessment may be eligible for a minimum pass mark only
- Some programmes may incur a deduction in overall marks

If you have a legitimate need for an extension, one may be granted by your Trainer under the following conditions:

- Prior to a scheduled assessment date – if an extension is applied for in writing at least two days before the assessment deadline.
- After the scheduled assessment date – if absence approval form has been approved by your Trainer and Campus Manager for the due date.

Re – Assessment (Re-sits)

If you don't pass the assessment and wish to be re-assessed, it is only necessary to re-sit the question that relates to the Learning Outcome of the module that was not achieved. All Learning Outcomes must be achieved as they link with the Graduate Profile for the qualification. It may not be necessary to re-sit the whole assessment again.

A re-sit time will be held each week and every student is expected to attend if they have any re-sits to complete. It is your responsibility to keep up to date with your re-sits. You will need to bring any workbooks and material (e.g. calculators etc) required to complete your re-sit papers. If you have re-sits scheduled and do not attend, you will be marked absent.

Our resources are updated regularly therefore any re-sits should be completed within three months from the last day of the programme. If an assessment has not been marked as competent within 3 months of the programme ending, the entire module will need to be repeated in order to gain the credits.

Learning Support Plans

Your Trainer may work with you at times to create a learning support plan to support you to be academically successful. Learning support plans may be required for a variety of reasons for example – to catch up on missed learning due to absence, behind in assessment submission or general academic support. It is important that you meet the agreed deadlines or actions of your learning plans and if there are any further barriers to you meeting your plan, you communicate this to your Trainer so we can best support you.

Literacy and Numeracy Assessment Tool

If you are enrolled in our level 2 - 4 programmes you are required to complete an online assessment of your numeracy & literacy levels. These are scheduled at the beginning and end of each programme and are compulsory. In some programmes, they may also be scheduled when you are approximately 10 weeks into your programme so we can ensure we are supporting you adequately. After each assessment, we will discuss your results with you and assist you to set goals to increase your numeracy and literacy levels.

- To allow own work to be handed in by another student as if it were the other student's work
- To collude with other students to produce work that is submitted as individual work
- To deliberately destroy another's assessment work

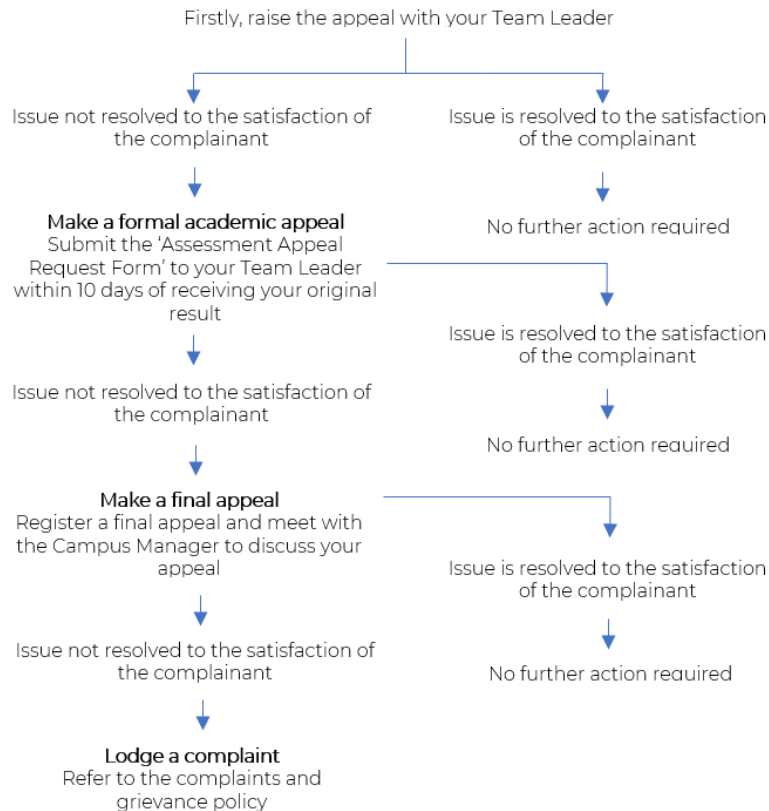

Academic misconduct is viewed as Major / Expulsion behaviour. See below for further information on implications of this behaviour.

Appealing Results

If a student wishes to query the marking of an assessment, this must be done **within ten days** of receiving back the assessment, or **for practical assessments, it must be done immediately** (with the model remaining on site until the work has been viewed) with the Team Leader. Students may appeal assessment decisions they consider are unfair or inaccurate. In the first instance the matter should be raised with the Team Leader, who may discuss the issue with the Trainer concerned. Should this not resolve the matter, the student may then appeal to the Campus Manager, or if still concerned about the outcome, formally to the Head of Operations, 766 River Road, Hamilton 3210.

Academic Appeals Process

Are you unhappy with the results of an assessment? Do you think you did better than the results show?

International exam options – Elite School of Beauty and Spa

International exams are assessed by external examiners provided by the International Examinations Bodies. Policies and fees for International exams are governed by the individual International Examining Boards. International exams normally take place twice a year in June/July and November/December. However, examination arrangements are subject to minimum numbers and on occasion can only be offered once a year. Dates for these are only confirmed by each examining body 12 weeks prior to exams.

Due to the stringent marking procedures of the examination boards, international exam results can take up to 3 months after the exams have been sat to be released to the School by the examining board. It is your responsibility to contact Elite to find out your results.

At Elite you have the opportunity to sit an international exam (available at our Auckland, Hamilton and Wellington campuses) which is highly recognised throughout the Industry. All international exam fees must be paid in full on registration for each examination module and are not refundable once registration has taken place.

CIDESCO

Comite International D'esthetiques et de Cosmetology; Swiss based. CIDESCO is considered the oldest examination board. A CIDESCO examiner will observe and assess all practical and theory examinations alongside an Elite examiner. You have the option to sit a Certificate in Aesthetics, Certificate in Body Therapy or a Beauty Therapy Diploma consisting of the Beautician and Body components together in one day.

Results will be given immediately following marking. CIDESCO pass mark is set at 70%. A project with case studies on a subject of your choice is required and these results will go towards your final marks. The Diploma exam requires 600 practical hours, some of which can be completed at campus and the remainder within industry, to enable all candidates to obtain a full CIDESCO Diploma.

Costs for this exam is not included in your fees and the amounts may differ according to the currency rate at the time of payment. Please note that CIDESCO exams require minimum enrolment numbers to proceed.

Disciplinary Procedures

Disciplinary procedures will occur for inappropriate behaviour. The following is a guideline on what is considered to be unacceptable behaviour:

Minor Behaviour

E.g. Absenteeism, poor standard of dress and presentation, no-show for re-sits etc. Discussions will be held with you and the Trainer concerned. Notes on this discussion will go on your file. If the behaviour continues, it could affect your participation in off site visits, study tours, assistance with employment and graduation.

Concerning Behaviour

E.g. Poor attitude, lack of participation, demonstrating a lack of respect for staff, fellow students, guests or industry partners. This includes inappropriate behaviour or language which may cause concern.

Discussions will be held with you and the Trainer concerned. Notes on this discussion will go on your file. If the behaviour continues, it could affect your participation in off site visits, study tours, assistance with employment and graduation. If it continues, a meeting with the Campus Manager will be arranged to discuss whether you want and are able to continue with the programme.

If you are under the age of 18, your guardian will be informed unless exceptional circumstances apply. You will be given the opportunity to bring along a support person if you wish. Further occurrences of the concerning behaviour may result in another meeting where a final warning or expulsion may occur.

Major / Expulsion Behaviour

The following behaviours will be viewed seriously and may result in **instant expulsion and termination of enrolment** or in the circumstances where management does not consider that expulsion is appropriate, a final warning will be issued even if no other warnings have been issued previously. Regardless of the decided outcome, a meeting with the Campus Manager and Team Leader will be arranged where you will be given the opportunity to bring a support person along if you wish. In the interim, you may be stood down from campus. If expulsion is the outcome, you will be given this in writing as well as a copy of your final academic record of learning. A recommended way forward may be discussed with management depending on the situation.

The behaviours listed are examples only and the list is not intended to be exhaustive:

The breach or breaches would constitute an ongoing risk to the student's education, health, safety well-being or personal welfare for which the school is responsible under the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021

It would be viewed seriously and may result in instant expulsion and termination of enrolment or in the circumstances where management does not consider that expulsion is appropriate. A final warning will be issued even if no other warnings have been issued previously. Regardless of the decided outcome, a meeting with the Campus Manager and Team Leader will be arranged where you will be given the opportunity to bring a support person along if you wish. In the interim, you may be stood down from campus. If expulsion is the outcome, you will be given this in writing as well as a copy of your final academic record of learning. A recommended way forward may be discussed with management depending on the situation.

Student Bullying

Bullying is unwanted and unwarranted behaviour that another person finds offensive, intimidating or humiliating which is repeated to have a detrimental effect upon a person's dignity, safety, and well-being. Bullying can be physical (like hitting or kicking you), verbal (like putting you down or spreading rumours) emotional (excluding you from groups or forcing you to do things you don't want to), or online (posting nasty things about you, sending embarrassing pictures or videos of you to others). It can happen in front of everyone or when no one else is watching.

What can you do if you're being bullied?

Bullying feels awful and it's important to remember it's not your fault.
Tell the person who is bullying you to stop (if you feel that you can). Or just walk away
Tell your Class Trainer or Team Leader or someone you trust
Spend time with friends who help you feel good about yourself
Don't reply to any messages that make you feel sad, threatened or embarrassed. Often people who bully others are just looking for a reaction
Keep all messages and take photos of uncomfortable posts. Make a note of the time, date and content. This is evidence you might need if the problem gets worse
Use privacy functions on Apps to block or prevent receiving nasty messages
If the bullying online or on your mobile involves physical threats, like threats to hurt or fight you, contact the police. Making threats of harm is criminal behaviour in New Zealand
Our organisation takes bullying very seriously and it can be deemed as Major / Expulsion behaviour

Student Dress Code

All students are expected to dress in a smart and professional manner as appropriate to their Industry and that reflects a standard and care that Industry employers will expect to see in the workplace. If you are a domestic student with a student loan, you can use your programme related costs (of up to \$1,000) to pay for your professional dress.

The below guidelines apply to all brands – NZST, Cut Above Academy and Elite. Each brand also has individual dress code requirements that align with the industry it represents - some of this information is included on the pages that follow. If there are additional dress code expectations for your campus, they will be made clear to you at your orientation and/or at the start of your course.

Personal hygiene/health

Please ensure you maintain a high level of personal hygiene (this includes body, hair, hands, and breath). It is important to shower regularly and wear clothes that are clean and fresh smelling at all times. It is recommended that you have in your personal items, antiperspirant, breath freshener/mints, toothbrush and paste, Band-Aids, hair products. Study Tours – New Zealand School of Tourism

Study tours (also known as 'Educationals' or 'familiarisation trips' within the travel industry) are available within many of our programmes. To be eligible to participate in any study tour, you must meet the professional guidelines outlined at the beginning of this handbook. If you are not eligible to participate in any one or all of the study tours, management may develop an agreed individual action plan with you to see you 'earning back' eligibility for participation in future opportunities. Each individual action plan will be specific to the student/situation and will have different objectives as set out by Management. The costs of the domestic study tours are included in your fees however personal expenses such as (but not limited to) meals and transport to/from the airport is at your own expense.

Level 4 Study Tour

This study tour is a 3 day experience to a New Zealand destination. It follows a similar structure to that of a travel industry 'educational' or 'familiarisation' in that you will participate in hotel inspections, tourist activities and be expected to write up a report which forms a part of your curriculum. If you are not eligible to attend (professional guidelines not met), you will be able to complete the requirements of the curriculum locally without the need to travel on the study tour.

Level 5 (Diploma) Study Tour

As an integral part of the Diploma programmes, students will complete one study tour in New Zealand. Study tour destinations vary depending on operational requirements and availability.

Transport costs from the city your campus is located in, accommodation costs and Industry visits are included in your programme fee. Additional personal expenses such as food and refreshments are at your own cost.

General study tour guidelines

To maximise your learning and enjoyment on study tour undertaken during your programme of study and to ensure that we make the best possible impression with Industry, the following guidelines set out our expectations:

- **Behaviour:** Professional behaviour is expected at all times. You will be representing New Zealand School of Tourism Ltd. and meeting potential employers even after hours when you may be on free time. It is essential that you are always acting in a professional manner. Any reports of misconduct at any time during your tour may affect recommendations /references we make to Industry about you, such as Internship or job opportunities being withdrawn. Serious misconduct as outlined in the Student Handbook may also affect you gaining the qualification you are enrolled in and progressing on to higher qualifications with us.
- **Alcohol:** While away on overnight trips, having an alcoholic drink is acceptable at dinner/out in the evening so long as you do not become intoxicated. If you are under 18 years of age you are not permitted by law to drink alcohol at any time. It is not acceptable to drink alcohol at any time at the accommodation your group is staying at as this is one of our industry partners or during the day when visiting industry partners (e.g. at hotel inspections, lunch etc.)
- **Visitors:** If you have family or friends that live locally to where you are visiting and you would like them to visit you, please discuss with your Campus Manager first and then arrange with the New Zealand School of Tourism Ltd. staff escort. Please note, this will be dependent on time. Anyone that is not part of the group are not permitted into the rooms where you will be staying.
- **Accommodation:** At night you are to return to the accommodation at the time set by the New Zealand School of Tourism Ltd. staff escort. You must stay with the group and even if you have family or friends in the area, staying with the group is an important part of the overall experience.

Dress standards: During any off-site visit you are representing New Zealand School of Tourism Ltd. and your dress needs to align with our brand and the expectations of the industry. See below:

- L3 team building: casual dress allowed
- L3 'regional out and about', L4 study tour: Corporate dress required for all meetings with industry partners including hotel inspections and any briefing sessions they may have with management of the industry. Smart casual allowed for outside of this time including travelling. Note: depending on how the itinerary flows, a hotel inspection may occur whilst travelling and therefore students will not be in corporate wear. Our staff will need to let the industry know that this is out of the ordinary for us and usually they would be in corporate. In these instances, the level of 'smart

casual' might need to be lifted slightly – New Zealand School of Tourism Ltd. management and staff escort will be able to advise on this.

- Diploma study tour: Due to the exposure to industry, corporate dress is required at all scheduled times unless specifically advised

Note: smart casual means dressing as if you were going out to a nice restaurant for dinner. Offensive logos ripped or 'distressed' clothing or beachwear wouldn't be appropriate in this instance as you are representing the New Zealand School of Tourism Ltd. and need to look smart.

Student Representative & Kaiāwhina

All campuses have Student Representatives and Kaiāwhina (Māori and Pasifika advocates) in place. They raise concerns on behalf of their peers which provides learners and additional support person whom they may feel more comfortable with, in addition to their Tutor/Trainer.

Student representatives are democratically elected by each class to meet with the Campus Manager monthly. At times, information discussed with student representatives may be used to ensure policies, procedures and expectations are being met. Student representatives understand that any information they provide could be used by management in a variety of capacities and that the contribution they make is highly valued.

The Kaiāwhina role is that of an advocate/voice for fellow students who may feel too whakamā (shy or embarrassed) to seek support, advice or help which could include social, cultural, disability, neurodiversity and/or academic. Kaiāwhina are nominated by their peers and staff. They are students that show empathy and care for their peers.

Student Representatives and Kaiāwhina will meet with the Campus Manager monthly. It is the expectation of senior management that Student Representatives and Kaiāwhina will communicate back to learners on any actions or decisions made as a result of their feedback.

Support Person

There may be occasions during your study where you will be offered the opportunity to have a support person present. For example, if you have been requested to attend a formal meeting. Please find some information below regarding the key function of a support person, who can be a support person, and what to do next if you would like to have a support person present.

What does a support person do?

Before selecting a support person, it is important to consider the key function of the support person in a formal setting. A support person's presence should enhance the fairness and transparency of the process, while also providing emotional support for you. The key functions of a support person include:

Emotional support - the primary role of a support person is to provide emotional support. Formal meetings can be stressful and intimidating, so having a trusted individual present can help you to feel more comfortable

Clarification and explanation - the support person can help you to understand the process and your rights and responsibilities. They will help ensure you have understood the situation

Note taking - the support person can take notes during the meeting, including any key points, questions or decisions made

Providing advice and guidance - depending on their expertise and relationship to you, the support person may offer advice on how to respond to questions posed during the meeting

Maintaining a calm and respectful atmosphere - the presence of a support person can help maintain a civil and respectful atmosphere during the meeting

Ensuring due process - the support person can help to ensure the procedure follows the college's established procedure and that your rights are protected

Assistance with documentation - the support person may assist you to gather and present evidence that may support or clarify the situation

Support decision-making - the support person can help you to understand the outcome, potential consequences, and any follow-up actions that are required. They can also assist you in deciding whether to appeal the decision if you do not feel a fair process was followed

Who can be a support person?

Selecting a support person is a personal decision. You may select a support person based on their relationship to you, ability to comfort and support you, and/or their availability to attend the formal meeting. If it is recommended that you bring a support person to a formal meeting, we will ensure you have appropriate notice to select a suitable one.

A suitable support person could be a:

- Friend or family member
- Learner Success Coordinator
- Student Representative
- Kaiāwhina

Next steps

If you have decided to have a support person present and have confirmed that they are able to attend the scheduled meeting, or alternatively if you have decided not to have a support person present, please ensure you communicate this to us so that we can ensure a smooth process.

Student Complaints Procedures

We aim to provide you with a study environment that is physically safe, free from harassment of any kind and conducive to the achievement of good learning outcomes. Where a complaint has been made, we will follow a set process to ensure fairness and confidentiality for all parties concerned. Please ensure you are familiar with the following information.

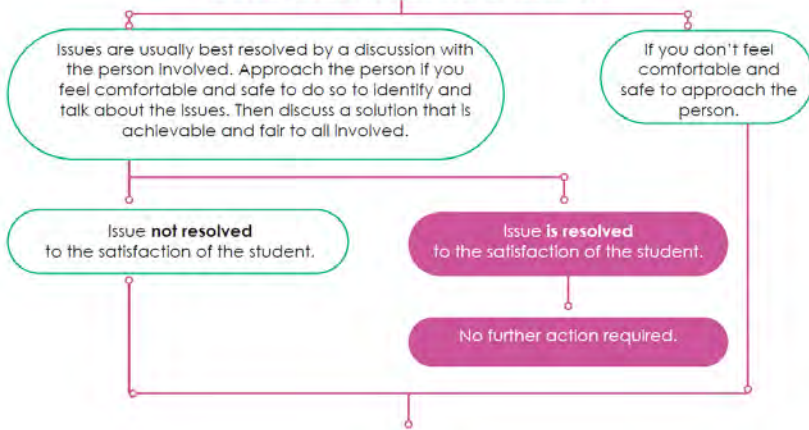

Informal complaint: Where you have approached a staff member directly with a concern. Resolution can usually be found by solving, explaining, clearing up or settling the matter, without using a formal procedure. In the first instance, we ask that students initially try to resolve the issue directly with the person(s) concerned. If, however you do not feel comfortable to do so, you should seek support from your Course Trainer. Please refer to the Informal Complaints flowchart.

Formal complaint: If an informal approach does not resolve the issue, you may choose to escalate the matter to management as a formal written complaint. Unless there are exceptional circumstances, a formal complaint will not be considered unless the correct process has been followed. Please refer to the Formal Complaints flowchart on the pages that follow.

We hope that through these complaint procedures, we can assist you to resolve the concern. In extreme cases where a resolution is not found, you can contact NZQA. They will then determine if we have followed a fair and reasonable path in line with our company expectations. NZQA advises that students must make a genuine effort to resolve their concerns by following the organisation's formal complaint process, before contacting NZQA. More information can be found on the NZQA website <https://www.nzqa.govt.nz/about-us/make-a-complaint/make-a-complaint-about-a-provider/>

INFORMAL COMPLAINTS

ISSUE IDENTIFIED BY STUDENT

SEEK FURTHER SUPPORT

Approach your Class Trainer/Tutor and explain the issue. Be clear. Include any actions you have taken to try to resolve the complaint, and advise the outcome you are seeking. If you do not feel comfortable discussing the issue with your Class Trainer/Tutor, or the issue is in relation to your Class Trainer/Tutor, please approach the Team Leader.

WHAT HAPPENS NEXT?

- The staff member you have approached may need to seek further information or clarification in order to attempt to resolve the situation. This could be from other students, the Team Leader or in some cases the Campus Manager.
- You will be provided information regarding the next steps and a realistic timeframe for the staff member to come back to you with an outcome.
- Notes outlining your concern and the outcome will be recorded.

PROCEED TO THE FORMAL COMPLAINTS PROCEDURE

FORMAL COMPLAINTS

WHEN AN INFORMAL COMPLAINT IS NOT RESOLVED

Submit your formal complaint to the Campus Manager using the **Student Formal Complaint** form.

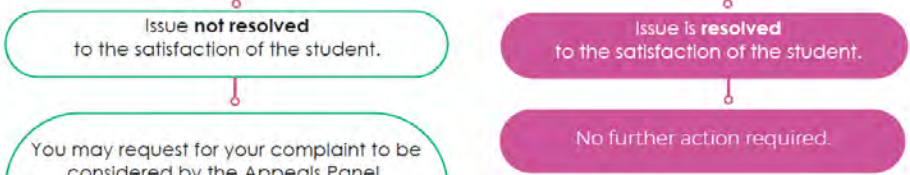

The Campus Manager will acknowledge receipt of your complaint, within **two working days** of the complaint being received.

WHAT HAPPENS NEXT?

- The Campus Manager will set up a formal meeting to investigate and assess the complaint. All parties involved will be requested to attend along with the Campus Manager and another senior member of staff.
- You may bring a support person with you. Please refer to your Student Handbook for guidance on selecting a suitable support person.
- Following the meeting, you will receive a letter confirming the discussion, any agreed next steps, and the outcome.

The Head of Operations will respond within **three working days** and a resolution will be discussed. This may include another formal meeting with you and all parties involved. You may bring a support person with you.

You may request for your complaint to be considered by the Appeals Panel. Refer to the Student Guide: *Appealing a decision* for more information.

At all times, the staff member managing your concerns will discuss solutions with you and attempt to solve your issues. In extreme cases where a resolution is not found, you can contact the New Zealand Qualifications Authority (NZQA). NZQA advises that students must make a genuine effort to resolve their concerns by following the organisation's formal complaint process, before making a formal complaint to NZQA. More information can be found on their website here:

<https://www2.nzqa.govt.nz/about-us/contact-us/complaint/education-provider/>

We define a complaint to be an expression of dissatisfaction or concern raised by ākonga/learner, staff member or other stakeholder about an aspect of Yoobee Colleges, its programmes, services, or policies.

We define a critical incident to be an event outside of the normal experience that poses an actual or perceived threat of damage to property, natural disaster or injury, illness, or exposure to death of a person or people.

Dispute Resolution Schemes

Financial and contractual disputes are managed through the relevant Student Contract Dispute Resolution Scheme. There are two schemes and operators, one for international learners and another for domestic tertiary learners:

iStudent Complaints – for international learners: iStudent Complaints is the appointed operator of the International Student Contract Dispute Resolution Scheme (DRS), which was set up to resolve financial and contractual disputes for international learners. Find out more through their website: <https://www.istudent.org.nz/>

Tertiary Education Dispute Resolution – for domestic learners: Tertiary Education Dispute Resolution is the appointed operator of the Education (Domestic Tertiary Student Contract Dispute Resolution Scheme (DRS), which was set up to resolve financial and contractual disputes for domestic tertiary learners. Find out more through their website: <https://tedr.org.nz/>

Additional Support

If the above procedures do not resolve your complaint, there are additional services available to you such as:

Te Kāhui Tika Tangata Human Rights Commission: <https://tikatangata.org.nz>

Health and Disability Commissioner: <https://www.hdc.org.nz/>

Nationwide Health & Disability Advocacy Service: <https://advocacy.org.nz/>

Privacy Commissioner: <https://www.privacy.org.nz/>

Health & Safety

The health and safety of everyone is of prime concern to our organisation. As an enrolled student, you have responsibilities too and are required by New Zealand law to:

- Take care of your own health and safety
- Ensure your actions do not adversely affect the health and safety of others
- Follow all health and safety procedures, guidelines, instructions, and notices communicated to you
- Only use equipment in a manner that is safe and according to relevant instructions
- Wear all personal protective equipment and uniform as required
- Report any safety concerns your trainer, staff member or Campus Manager
- Report accidents and incidents immediately to a staff member and to the campus reception
- Suggest any improvements that can be made to health and safety to a staff member, Health and Safety Representative or Campus Manager

Accidents

Please report all accidents to a staff member so they can notify the Campus Manager immediately. All campuses have a Health and Safety plan in place which is reviewed twice annually by the Campus Manager. Any accident that occurs needs to be reported to the Health and Safety Officer (Campus Manager) and logged in the accident register. An investigation will occur to identify all hazards concerned so that the issue can be minimised and or eliminated. Should you notice any potential hazards please advise a trainer or the Campus Manager immediately.

Emergency procedures

Should an emergency arise please follow the instructions of the appointed floor warden. Emergency procedure notices are posted in the building. Please take a moment to read these and familiarise yourself with evacuation routes and assembly areas.

Prohibited Items and Substances

Students will not possess on the campus weapons of any kind and/or items designed to injure or threaten. Students must not possess or consume any alcohol (unless part of the programme – refer above), non-prescribed drugs or substances or be under the influence of alcohol, or substance abuse while on campus. Students who are suspected of carrying, using, or distributing illegal drugs on campus will be reported to the police.

Harassment

The company has clear policies and procedures for dealing with any form of harassment with which staff and students are expected to comply. We define harassment generally as actions or statements which interfere with or inhibit the

staff member or students' ability to work or study in a positive and successful manner; and/or which fails to respect the dignity of an individual or group. This includes harassment based on age, ethnicity, nationality, marital status, religious or political belief, sexual orientation, or disability.

Procedure

- a. Any student who feels they have been harassed in any way by a staff member or student should complain to the Campus Manager.
- b. The Campus Manager (or GM) investigates the complaint.
- c. Where the person investigating determines that there is evidence that harassment of some form has occurred, they may:
 - Inform the student that the harassment must cease, and detail what behaviour is expected and/or
 - Give the student a warning, indicating that they may be expelled

Medical Emergency

The Customer Service Officer in each campus holds a first aid kit and a list of other qualified staff, for use in an emergency.

If you have any medical conditions (e.g. epilepsy, diabetes) that you feel we should be aware of, please let us know. This information will be accessed only by those who need to know and could be vital in an emergency situation.

It is important to seek medical attention if you have symptoms of communicable diseases to avoid an influenza outbreak/pandemic.

Security

Students who are away during scheduled class times must apply for leave. If we cannot get hold of you, the campus reserves the right to contact your next of kin, emergency contact and any other contacts known to us to ensure that you are safe.

Campus Information

An orientation tour will be given at the beginning of your programme to show you the location of the training rooms, computer rooms, lunchroom, and bathroom facilities.

Food and Drinks

No food or drinks (except bottled water) are permitted in the training/computer rooms. Please enjoy your lunch in the student lunchroom provided. We provide tea and coffee free of charge for all students. Please do not take your hot drinks outside with you.

It is your responsibility to clear away your empty cups and general "mess" that occurs during the day, in the training rooms and in the kitchen. There is a kitchen roster, which is shared amongst the groups to help ensure the kitchen and lunchroom are kept tidy.

Telephone, Mail and Messages

A phone for student use is located at reception. Calls cost \$1.00 for a local/mobile call. Only in urgent cases will messages for students be accepted at our office. Personal mail and packages should not be sent to the campus to be passed on to you and we do not accept any responsibility for forwarding student mail or packages.

Mobile Phones

Out of respect for others in your class including your trainer, no texting or cell phone use of any sort is allowed during class times or on visits. This reflects the workplace where use of cell phone during work time can be seen as theft of time.

Smoking

All campuses are smokefree and vape-free. Smoking and vaping is not permitted in the buildings or in the entranceways to the building.

Administration/Office Hours: Office hours are 8.00am – 5.00pm.

The administration team are there to assist with any queries you may have and are also available for all programme related issues including Studylink payments. Administration staff can be extremely busy at certain times of the year so an appointment to see the appropriate person may be necessary.

In 2023 we are aiming for all campuses have photocopying/printing facilities available to students during normal hours. On your first day you will be allocated a user ID and password. It is important that you change your password immediately. Using another student's login is a breach of NZST rules. Each student is issued with a print credit limit for the duration of their programme. Printing credit limits are based on the printing demands of their programme and should last for the duration of your programme. Your account balance will be updated each time you print. If you run out, additional print credits can be purchased from reception.

Your Trainer will advise you as to whether the above option is available at your campus.
